## PUBLIC ANNOUNCEMENT ATTENTION TO ALL FOOD RETAILERS

The Special Supplemental Nutrition Program for Women, Infants and Children (WIC) published a Public Notice announcing the WIC Vendor Selection Process in this Newspaper on March 30, 2017.

Due to the review of the policies and procedures for the Vendor Selection 2017 by the federal agency and the PR WIC Program, the Selection Process have been postponed until further notice.

The PR WIC Program will be subsequently publishing the new application period.

We thank you for your interest on participating in the process and ask for your understanding on this matter.
